

ARTINOX

LAYER BRP 50

READY
Workstations

Installations

Topmount

Code

SABRP50

Description

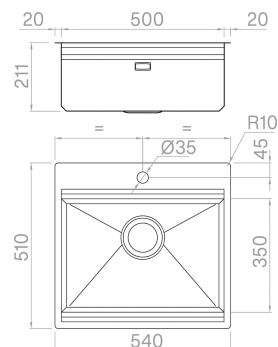

A distinctive sloped design that combines aesthetics and functionality across two distinct levels. The upper tier, dedicated to grids and cutting boards, is complemented by a lower level where thoughtfully designed containers offer maximum practicality. The robust yet refined structure supports the mixer with solidity, transforming LAYER BRP into a versatile and harmonious element that seamlessly blends style, efficiency, and ease of installation.

Accessories included

5 – OAK CHOPPING BOARD
22 – COLANDER
